Leaving Cert 2020 Results

Dear Class of 2020,

We wish you all the very best of luck as you receive your Leaving Cert. results on **Monday the 7th of September at 9am**. The National Parents Council is providing a **Leaving Certificate Helpline (1800 265 165)** for students and their parents from **11am on the 7th September**. It will operate from the 7th-12th September. It will be run by qualified guidance counsellors who will provide advice to students and their parents.

The information sheet below offers a summary of all important information to date for you and your parents. The second resource “The Leaving Cert Results are Out, What Now? A Guide for Parents and Students” offers a more in depth guide to the Leaving Cert Results and what your options are. Finally I recommend the Careers Portal app for calculating your points score when you get your score (details below). We hope that these resources will be helpful and answer any questions you may have. If you have any further queries you can get in touch. The very best of luck!

Ms Kiernan
